Hi Allison, I struck out the sentence fragment since I know it's accurate. Hopefully, this works. Did you also check the footnotes? Last time I checked, I saw some inconsistencies with how I wrote them up, so hopefully, Amy King or you made sure I quoted/italicized/underlined footnotes consistently.

Thanks!! - Jenny

Hi Jenny--

I'm going through and making sure we have all our i's dotted, t's crossed and I noticed there was one item that Tt had flagged in the pesticide section of the decision doc. See pg. 21 attached. They had asked us to fill in proper name of voluntary guidance doc. I think I found it but wanted to confirm with you that this is the correct reference.

Thanks!  
Allison
